SUBJECT: January 10th Meeting Agenda

Happy Holidays and Happy New Year's! This is a reminder of the Nimishillen Creek Watershed Partners Core Committee meeting on **Tuesday, January 10th, from 2:00 to 4:00 p.m.** The meeting will be at the **City of Canton's Water Pollution Control Center located at 3530 Central Avenue, S.E.** It has been several months since we have had a meeting at this location, so please contact me if you need directions.

The two primary topics we will be working on at the meeting will be the Nimishillen Creek Watershed Action Plan and determining if we should request funding from the Ohio EPA to conduct a watershed tour for local officials. Updates will also be provided on the Sherrick Run mine drainage problem and Ohio EPA's water quality (TMDL) study on Nimishillen Creek. An agenda is attached below.

If you have any questions regarding the meeting or would like to have an item added to the agenda, please contact me. Thank you and I will see you on the 10th!
