

**New State Watershed Planning Standards vs.
Information Currently in the Upper Tuscarawas River Action Plan**

Watershed Planning Guidelines for State Endorsement	Currently Part of the Upper Tuscarawas River Action Plan
Name, Size, and Administrative Boundaries of the Watershed*	Yes
Phase 2 Watershed Communities	No
Demographics	No
Geographic Locator (HUC Numbers)*	No
Current and Previous Watershed Efforts	No
Watershed Group Information	No
Local Endorsement*	Yes
Public Information and Education Plan	No
Geology (soils, bedrock, glacial history)	No
Biological Features (rare & invasive species)	No
Surface Water Resources*	Yes
Ground Water Resources	Yes
Land Use and Land Cover*	Yes
Cultural Resources	No
Habitat Modification Inventory	No
Water Resource Quality*	Yes
Watershed Impairments*	Yes
Pollutant Loading*	No
Problem Statements*	Yes
Restoration and Protection Goals*	Yes
Restoration and Protection Projects*	No
Prioritization of Goals and Projects*	No
Funding Strategy	No
Plan Evaluation Procedure	No
Watershed Monitoring Plan*	No
Update and Revision Protocol	No
# of Miles of Forested Riparian Buffer	Yes
# of Miles of Permanent Protection	No
# of Miles of Natural Channel	No
Dam Inventory	No
Eroded Banks Information	No
Floodplain Connectivity	No
Development Status and Trends	Yes
Point Sources of Pollution*	Yes
Nonpoint Sources of Pollution*	Yes
Habitat Conditions	No
Wetlands	No

* Essential for State Endorsement
